

# The Kahnawà:ke COVID-19 Task Force

---

December 18, 2020

UPDATED

## **Directive #52 - Travel from the U.S. and International**

The border between Canada and the U.S. remains closed as per the Canada Quarantine Act. The Kahnawà:ke COVID-19 Task Force supports this measure and will enforce the spirit of the act through The Kahnawà:ke Emergency Preparedness Law. This measure applies to all residents returning to Canada from the U.S. and international destinations.

Anyone who is deemed to be in contravention of this Act will also be deemed to be in contravention of the Kahnawà:ke COVID-19 Task Force Directive and will be subject to enforcement by the Kahnawake Peacekeepers.

This measure is put in place to help minimize the spread of the second wave of the virus within our community and to help protect our most vulnerable. Working as a community, we can limit and manage the spread of COVID-19.

Thank you,

Lloyd Phillips  
Commissioner of Public Safety  
Kahnawake COVID-19 Task Force  
(450) 632-0635
