

The Kahnawà:ke COVID-19 Task Force

December 23, 2020

Directive 55 – Retail Business Closure December 31, 2020 – January 31, 2021

Due to the global Pandemic COVID-19, the current state of emergency and the increased risk of transmitting the virus, the Kahnawà:ke COVID-19 task force is directing that certain retail and manufacturing businesses in Kahnawà:ke will be required to close from **December 31st, 2020** at midnight to **January 31st, 2021**.

- **Closures will include:**
 - All Cigarette/ Tobacco Stores (No curbside pickup)
 - All Factories who do not provide essential products (No curbside pickup)
 - Hair salons and aesthetics
 - All other retail stores may provide curbside pick-up and delivery to Kahnawa'kehró:non ONLY; please note that online sales are permitted
 - Businesses that can remain **open:**
 - Grocery and Convenience Stores (No cigarette sales to non-locals)
 - Restaurants and food services (Pick up and delivery)
 - Pharmacies
 - Hardware Stores
 - Massage therapy, physiotherapy, acupuncture, reflexology:
Any Person who gives therapeutic body care such as massages and treatments in order to correct physical disorders and stresses of the human body
 - Gyms
 - Construction, electricians, plumbers and trades, and movers
 - Hotels
 - Pet food and supply stores
 - On-line services
 - Media and telecommunications
 - Auto mechanical repairs
- All gas stations, convenience and grocery stores in the community are **not permitted to sell tobacco products to non-locals.**

This measure is put in place to help minimize the spread of the virus within our community and to help protect our most vulnerable. Working as a community, we can limit and manage its spread.

Thank you,

Lloyd Phillips
Commissioner Public Safety
